Roll paper widths are 22 inches, 24 inches, 36 inches, and 42 inches. Allowing for printer margins, the maximum width that can be printed is approximately 41.625 inches. The printers are four color inkjet (magenta, cyan, yellow, black) capable of printing up to 600 dots per inch.

You may submit your documents electronically via WeTransfer (instructions on our web site.)

If you leave a credit card on file with us, we can print your drawings, tube them, and ship them to you, to your job site, or to your customer. We ship via UPS, FedEx, USPS, Local Courier, or Internationally via DHL and SF Express.

Large Format Color Prints, B&W Images

Images are printed on normal 20-pound bright white paper. Other papers available upon request, call to discuss.

Due to the high cost of ink, prints of images are priced by the square foot, and are a judgement call on our part based upon the ratio of white space to colored space.

Up to 50% colored space: \$3.50 / Sq Ft
Over 50% colored space: \$4.50 / Sq Ft
